presents
FINGER PAINTING CLASS
taught by Acrylic Artist
LINDA OSBURN

SEPTEMBER 26, 2017
Tuesday morning, 9:30 – 12:30
\$35.00

Remember as kids how much fun it was to paint with your hands? Well, now you can experience the grown up version. In case you were wondering, we will be painting with our gloved hands and a credit card. You will learn how to use your fingers like brushes and will have a 'ready to frame' painting at the end of the class. All you need is an old shirt, some paper towels and a willingness to have fun. There is no drawing or painting experience necessary.

\$35.00 includes: paint, canvas, palette, gloves, and water containers.
